## Mr. Dogga Pavan Sekhar

AI / ML ENGINEER

ADDRESS - Haryana, India

Date: 11 November 2025

Dear Pavan,

We are delighted to offer you an **internship opportunity** with Arinova Studio as a **AI ENGINEER** Intern. After reviewing your profile and interactions with our team, we are confident that your skills and enthusiasm will add great value to our projects.

At Arinova Studio, we focus on building cutting-edge digital products and providing creative technology services. During your internship, you will gain exposure to real-world projects, collaborate with our design and development teams, and learn modern industry practices.

### **Internship Details –**

Duration: [3 months / 6 months]

3 months – Unpaid

6 months – First 3 months unpaid + last 3 months paid (₹5,000–₹8,000 per month based on performance)

Start Date: 27 October, 2025

Location: Remote

Reporting To: Ashutosh Pandey

Working Hours: Flexible between 3 Timezones (IND - 10AM, 5PM, US - 2PM - 8PM, UK - 6PM - 1AM)

### **Terms & Expectations**

You are expected to maintain confidentiality regarding all company information, code, designs, and client projects.

All work, ideas, and materials developed during your internship will be considered the intellectual property of Arinova Studio.

Regular feedback and performance reviews will be provided to support your growth.

Upon successful completion, you will receive an Internship Completion Certificate, and based on performance, may be considered for a full-time opportunity within the company.

A handwritten signature in blue ink that reads "Adarsh Pandit".
